DEPARTMENT OF ENERGY

ENVIRONMENTAL MANAGEMENT SITE-SPECIFIC ADVISORY BOARD

AGENCY: Department of Energy, Office of Environmental Management

ACTION: Notice of Charter Renewal

SUMMARY: Pursuant to Section 14(a)(2)(A) of the Federal Advisory Committee Act (Public Law No. 92-463), and in accordance with Title 41 of the Code of Federal Regulations, section 102-3.65(a), and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Environmental Management Site-Specific Advisory Board (EM SSAB or Board) will be renewed for a two-year period beginning April 11, 2014.

The Board provides the Assistant Secretary for Environmental Management (EM) with information, advice, and recommendations concerning issues affecting the EM program at various sites. These site-specific issues include clean-up standards and environmental restoration; waste management and disposition; stabilization and disposition of non-stockpile nuclear materials; excess facilities; future land use and long-term stewardship; risk assessment and management; and clean-up science and technology activities.

Additionally, the renewal of the Environmental Management Site-Specific Advisory Board has been determined to be essential to conduct the Department of Energy's business and to be in the public interest in connection with the performance of duties imposed on the Department of Energy, by law and agreement. The Board will operate in accordance with the provisions of the Federal Advisory Committee Act, and rules and regulations issued in implementation of that Act.

Further information regarding this Advisory Board may be obtained from Mr. David Borak,
Designated Federal Officer, at (202) 586-9928.

Issued in Washington, D.C., on April 11, 2014.

Amy Bodette,
Committee Management Officer.
